

CERTIFICATE OF INTERNSHIP

PRESENTED TO

Sachin Kumar

has successfully achieved the Internship Credential by completing a 10-week program in the domain of

VLSI Design & Semiconductor Engineering

During the internship, the learner demonstrated proficiency in:

- Foundations of AI Hardware and Edge Computing & VLSI Design Principles for AI Accelerators
- Architectures of AI Accelerators
- Embedded Systems for On-Chip AI & Optimizing AI Models for Edge Deployment
- Hardware-Software Co-Design for AI on Chip & Advanced Topics in AI on Chip
- Practical Implementation: Image Classification on MCU & Practical Implementation: Keyword Spotting on MCU
- Sensor Fusion and Embedded AI Applications & Embedded AI Development Workflow and Tools
- AI Hardware Acceleration Techniques & FPGA Prototyping for AI Accelerators & ASIC Design Flow for AI Chips
- System Integration and Testing & AI on Chip: Capstone Project

This certification recognizes the successful completion of the internship requirements.

Issued on: Jun 02, 2026

Certificate ID: 2026-9C1A403347
